

FUNDS AVAILABILITY: SUMMARY OF YOUR ABILITY TO WITHDRAW FUNDS - ALL ACCOUNTS

This Disclosure applies to all "transaction" accounts. Transaction accounts, in general, are accounts which permit an unlimited number of payments to third persons and an unlimited number of telephone and preauthorized transfers to other accounts of yours with us. Checking accounts are the most common transaction accounts. Feel free to ask us whether any of your accounts are covered by these rules. Further, this is a summary; you will need to review the Credit Union's entire Funds Availability Policy to fully understand when funds may be available from certain deposits.

Funds "availability" means your ability to withdraw funds from your account, whether those withdrawals are to be in cash, by check, automatic payment, or any other method we offer you for access to your account. If deposited funds are not "available" to you on a given day, you may not withdraw the funds in cash and we may not use the funds to pay items that you have written or honor other withdrawals you request. If we pay items that you have written or honor other withdrawals before funds are available to you, we may charge a fee for this.

Our general availability policy is to make funds available to you **on the first business day after the day of deposit**. We generally make some portion of a day's deposits available for withdrawal immediately.

Paper Checks: In some cases involving paper checks, we will not make all of the funds that you deposit available to you as provided above. The first \$100 of your deposits, however, will generally be available no later than the first business day after the day of deposit, and usually immediately. If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit; or soon after as reasonably practical. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees (including a deposit made at an ATM) or if we decide to take this action after you have left the premises, we will mail you the notice by the day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

LONGER DELAYS MAY APPLY

Safeguard Exceptions. In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.
- New Accounts

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the ninth business day after the day of your deposit.
